What We Are Up to:

Unprecedented situations like present one calls for unique measures and out of the box ideas to bring back life on track, steer clearing all the obstacles. Fear of catching virus due to this pandemic has taken away weekend outings from our life, compelling us to compromise with our test bud being locked at home. But life can't go like this for ever. So we have to pad up and go out to play. After a six months long wait and watch, taking the stock of the situation, We, Hotel Sandy Bay took our 25 years old restaurant Crabhole in cloud kitchen mode with guarded measures to serve you safe- efficient and healthy way. During this emergency situation we are delivering only few selected items pre -ordered basis. The dishes are being prepared at home kitchen environment under the guidance of more than 25 years of experienced professionals. So that U can get best of both; Hygienic food prepared and served to U in a Highly professional way.

Our COVID 19 Prevention Policy:

Your safety is our first and foremost priority. In an endeavour to ensure the same, we have formed a closed group of limited work force for **procurement- preparation- packing and percale** with restricted exposer to outer world to minimise chances of catching the virus from outside. Apart from taking all necessary precautions during work, all these members remain self-isolated and protected after work at Company monitored sanitised accommodation and are not exposed to public places or gatherings. This reduce chances of catching the virus from outside many a fold. They are regularly monitored and we ensure none of them has ever been infected with the virus or came in close contact with any infected person till date. The moment we will find any one mber has comes close contact to any infected person or has got infected with the virus, we will immediately isolate the person and stop our operation for at least 14 days and start again with fresh guards.
